All schools will be playing 5 games in the pool play rounds. We will play a single elimination tourney with the top four teams in each pool advancing.

PLACE: Nebraska Lutheran High School, Waco, NE

TIME: Saturday Oct. 25, 2008 9:00 am.

LOCATION: The volleyball games will be played in the North Gym (big, new gym) and the South Gym (small, old).

SCORING: The pool play games will go to 20 to help keep things on time and moving along. The pool play matches will be the best 2 out of 3.

POOL PLAY FORMAT: I know we talked about doing the pool play and a double elimination tournament, but that is not going to work. Each team will play a total of five games. After the pool play the top four teams in each pool will advance to a single elimination tournament.
